

COMMITTED-USE

by Tri-anim

Aerogen®

THREE EASY STEPS:

- 1 How many Aerogen Pro-X controllers do you need?
- 2 Commit to purchase Aerogen Solo annually.
- 3 Sign Aerogen Committed-Use Program and Supply Agreement documents, then your new Pro-X controllers are on the way!

Pioneering a new era of high performance aerosol drug delivery

Aerogen's breakthrough palladium vibrating mesh technology has transformed the science of nebulization. The fine particle size of medication gently flows into the patient lungs, allowing for superior drug delivery, for the most compromised of patients.

Improving Healthcare Economics

- Potential cost savings of more than \$1.7M through switching from MDIs to Aerogen¹
- Nine times more efficient drug delivery than SVN²
- Possible reduction in length of stay³

1. Gary Blake, M.S., Joseph Yaklic, MBA, Janet Cobb, B.S. • St. John Providence Health System – East Region, Detroit, MI, 2013, Poster, ASHP Mid-year Clinical Meeting and Exhibition

2. Berlinski A, Willis JR. Albuterol delivery by 4 different nebulizers placed in 4 different positions in a pediatric ventilator in vitro model. *Respiratory care*. 2013;58:1124-1133

3. Graham R, Melton R, Mullaly A, Rhone S, Fink J. Does technology matter? One intensive care unit's. Poster presentation at ERS. 2012

PROGRAM BENEFITS:

- ✓ Get the best consumable products made by Aerogen®
- ✓ Implement leading-edge Aerogen® technology into your facility
- ✓ Extend capital budgets and improve your facility's bottom line
- ✓ Adjust program quantities at any time if purchasing levels rise or fall
- ✓ Comply with federal "Safe Harbor" laws and adhere to the Federal Anti-kickback Statute
